OPORD 1000-10

Subj: GENERAL ORDER ON PERSONAL CONDUCT ASHORE AND STANDARDS FOR THE WEARING
OF UNIFORMS AND CIVILIAN CLOTHES FOR NAVAL PERSONNEL WITHIN THE U.S.
CENTRAL COMMAND AREA OF RESPONSIBILITY

1. Background. The degree to which the various countries in the USCENTCOM AOR strictly observe Islamic code differs from country to country. U.S. personnel must be aware of local sensitivities and cultural values in order to minimize the impact of U.S. military presence and reduce, to the maximum extent possible, any potential host-nation friction. Authorized and prohibited clothing specified in this instruction is specific to this AOR and may be more restrictive than military regulations.

2. Applicability

a. As the Naval Component Commander in the USCENTCOM AOR, COMUSNAVCENT exercises operational control over assigned U.S. Navy personnel. Unless otherwise directed in writing by higher authority, all U.S. Navy personnel, contractor personnel attached to COMUSNAVCENT/COMFIFTHFLT units and family members must adhere to the requirements of this general order.

b. COMUSNAVCENT exercises force protection responsibilities over all non-component command military personnel, their family members and all civilians serving with, employed by, or accompanying U.S. Armed Forces in Bahrain. All non-component command military personnel, family members and all civilians serving with, employed by, or accompanying the U.S. Armed Forces in Bahrain must adhere to the requirements of this general order while in the USCENTCOM AOR.

c. Under the authority of the Uniform Code of Military Justice (UCMJ), Title 10, United States Code, Sections 801-940, and U.S. Navy Regulations, 1990, this order is punitive in nature. Violation of this general order by civilians may result in removal of command sponsorship and subsequent removal from the USCENTCOM AOR or other administrative action or, in certain situations, disciplinary action. Civilians serving with, employed by, or accompanying the U.S. Armed Forces may face criminal prosecution or adverse administrative action for violation of this general order.

3. Policy on Conduct

a. Firearms. The purchase, possession, use or sale of privately owned firearms, ammunition and explosives, or the introduction of these items into the USCENTCOM AOR is prohibited.

b. Religious Sites. Entrance into mosques or other sites of Islamic religious significance by non-Muslims is prohibited unless otherwise directed by military authorities, required by military necessity, or as part of an official tour conducted with the approval of military authorities and the host nation. In Bahrain, only the Grand Mosque may be visited by non-Muslims, and only as part of an organized tour group.

Drug abuse also includes the unlawful use of controlled analogues, natural substances, chemical, propellants, or prescribed over-the-counter drugs or pharmaceutical compounds. Prescription drugs must be accompanied by the original prescription label of the prescribed drug or medical authority.

e. Sexually-explicit material. The introduction, possession, transfer, sale, creation or display of any pornographic or sexually explicit photograph, videotape, movie, drawing, book, magazine or similar representation is prohibited. The prohibitions contained in this subparagraph shall not apply to AFN broadcasts and commercial books, magazines, and videotapes distributed and/or displayed through NEX, AAFES or MWR outlets located within the USCENCOM AOR. However, permanent-party (non-TAD) personnel whose living arrangements allow them to keep pets may transport household pets (e.g., dogs and cats) as part of household goods shipment, if otherwise so entitled. Such permanent-party personnel may also acquire household pets when in the USCENCOM AOR. All pets must meet the health standards and remain subject to the regulations of the country in which they are located.
